CLARIFICATIONS DOCUMENT #2

REQUEST FOR PROPOSAL (RFP): MCA-N # QCBS – 2007 – 01

PROJECT: PROGRAM ADMINISTRATION, MONITORING AND EVALUATION

CONSULTANCY SERVICES: Data Quality Reviewer of the MCA-Nicaragua Program

QUESTIONS:

- 1. We often find that proposals are better aligned with MCA's expectations when MCA provides offerors with a range, or maximum ceiling, for level of effort. In order to assist all offerors as they prepare proposals, we respectfully request that MCA consider providing such a range for this program.**

ANSWER: MCA- Nicaragua has reviewed this request and has determined that the requirements in the RFP will remain as stated.

- 2. In Section V of the Terms of Reference, Staff Roles and Responsibilities of the Implementing Entity, MCA requests that all three Key Personnel possess "excellent Spanish and English, both written and oral". In order to take advantage of the excellent professional pool that exists in Nicaragua and in Latin America, but who may not have an "excellent" oral and written command of the English language, we respectfully request MCA to reconsider this language requirement, particularly for the expert in Monitoring and the expert in Survey Design.**

ANSWER: MCA- Nicaragua has reviewed this request and has determined that the requirements in the RFP will remain as stated.
